The Great Lakes Aquarium

This was established as an educational showcase of the economic, recreational, biological and aesthetic importance of freshwater resources with a particular focus on Lake Superior. This is the only aquarium in the U.S. that focuses on freshwater exhibits. There are plenty of interactive exhibits and re-created habitats are fun and educational. The aquarium is open from 10 AM until 6 PM. **The cost is \$20.00 (\$16.00 for Seniors)**

Bent Paddle Brewing Co

This taproom is simply delightful. Awesome beers. Bent Paddle is big, but it's warm and inviting. Lots of windows, wood, and plenty of seating, including BIG and little tables, comfy chairs and couches, and a fireplace. Even the wallpaper in the bathroom is cool. Loved everything about this place. The service was spot on, with very friendly staff. You should see for

yourself. A fun way to visit in your free time in the afternoon.

Glensheen, The Historic Congdon Estate

Finished in 1908, this Lake Superior 39-room mansion enjoys a rare, intact collection of original furnishings and art. Because of that, it closely resembles the days when the Congdon family first occupied it. Truly, it is Duluth's answer to Downton Abbey. Situated on a wooded lot, the home boasts spectacular views of Lake Superior, as well as, multiple gardens including formal, flower and vegetable. Guests are also encouraged to explore the carriage house, boat house, stone bridge and pier. Children enjoy the pebbled beach for hours of rock skipping while parents take in a sit on one of Adirondack chairs. Be sure to check out Glensheen as part of your must-do on your Duluth bucket list. **The cost is \$20.00 (\$16.00 for Seniors)** for your self-guided tour.
